International Rhinologic Society

Rhinology price list 2023 for Agencies

SUBSCRIPTION FEES:

Subscription fee for *Rhinology Journal* volume 61 (2023):

Two options;

1. online access **Euro 146,-***
2. online access + hardcopy **Euro 236,-* in Europe and
Euro 246,-* outside Europe**

* excl. 9%VAT

This will be taken by **standing order** unless the order is cancelled before 15th November every year.

(Re)new subscriptions must be made before 1st December each year.

After payment your client will be given online access to the journal and print issues will be sent to the address stipulated.

As online access is included in the subscription fee **we require an e-mail address for each individual client.**

Passwords will be provided directly to your client by e-mail after payment is received.

ONLINE AGENCY PORTAL

You can access our agency portal on the *Rhinology* website, <http://rhinologyjournal.com/AgencyPortal/>. Here you will find information about subscriptions and rates for 2023. Using your log-in details, you will also be able to access an overview of your clients. Please use the online portal to register new clients and renew subscriptions for current clients.

You can also print invoices and make direct payments by credit card* via Paypal from here.
